

BRICKS MAKING MACHINE

All types of commercial and hydraulic industrial machines.

20Ton C frame Press, 'C' Frame Type Hydraulic Press, 'H' Frame Type Hydraulic Press, Hydraulic Cylinders, Hydraulic Instefire with 5 H.P., Hydraulic Power Pack, Hydraulic Presses: Pillar Type, Pneumatic Cylinders, Pneumatic Rivetting Machine, Scrap Processing Machines (Double Compression Scrap Baling Press), Scrap Processing Machines (Shredder and Conveyor), Scrap Processing Machines (Single Compression Scrap Baling Press), Scrap Processing Machines (Triple Compression Hydraulic Baling Press), Scrap Processing Units: Paper Baling Press, Scrap Processing Units: Shearing Machines, etc.

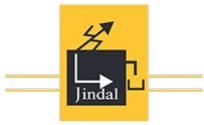

H FRAME INDUSTRIAL HYDRAULIC PRESS MACHINE

4 PILLAR TYPE HYDRAULIC PRESS

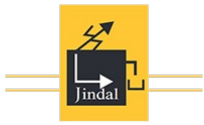

H FRAME HYDRAULIC PRESS MACHINE

About Us

Jindal Hydro Project Inc. is a 2013 formed business enterprise that has acquired high market goodwill by well-executing functions like designing, exporting and manufacturing quality-marked recycling equipment and all types of commercial and hydraulic industrial machines. Our range of machines includes Metal Plastic And Paper Scrap Baler, Shredders, Shearing Machines, Solid Waste Compactors & Shredders, Hydraulic Scrap Baling Press Machine, Hydraulic Shearing Machine, Hydraulic Presses for various applications, Scrap Baling Press, Power packs, Hydraulic Cylinders, etc. Jindal Hydro Projects Inc. has marked its excellence not only in India but all around the globe. The company has major installations in Saudi Arabia, Egypt, Dubai, Mauritius, Sri Lanka, Bangladesh, Qatar and many more.

New Delhi (India), based Jindal Hydro Project Inc. is a quality-focused company that is working real hard to make clients have value in the form of Hydraulic Machines and Solar Services. Our offered products are worth investing in because they are produced with sheer brilliancy using modern and best of breed technologies. We have a production team that sources base materials from reliable names in order to make finished products of unparalleled quality. We also maintain a huge stock of products in order to meet market requirements urgently, without any delay. Our company utilizes strong packaging materials. Usage of such strong packaging materials keeps all our products safe during delivery. Our range of machines includes Metal Plastic And Paper Scrap Baler, Shearing Machines, Shredders, Hydraulic Presses, Baling Press Machine, Solid Waste Compactors & Shredders, Power packs, Hydraulic Presses for Various Applications, Hydraulic Cylinders, etc.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	machinery scrap, scrap metal baler, hydraulic baler, metal scrap baling press, hydraulic scrap baling presses,
No of Staff	30
Year of Establishment	2013
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	as per requirement
Memberships	FICCI
Product Range	machinery scrap, scrap metal baler, hydraulic baler, metal scrap baling press, hydraulic scrap baling presses,

Our Products

Single Box Double Door Hydraulic Baling Press

H1 Frame Hydraulic Press

C Frame Hydraulic Press

Pillar Type Hydraulic Press

C Frame Throat Hydraulic Presses

Industrial Vertical Down Stroke Baling

Hydraulic Baling Press Machine

Auto Door Hydraulic Baling Press Machine

Double Cylinder Hydraulic Baling Press

Triple Action Hydraulic Baling Press Machine

Single Box Hydraulic Baling Press

Heavy Duty Hydraulic Baling Press

Double Action Hydraulic Baling Press

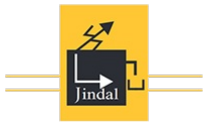

Hydraulic Scrap Baling Press Machine

Mini Hydraulic Baling Press

C Frame Electric Hydraulic Press
